UPDATE/SUPPORT SERVICES

Update / Support services fee is a “per year subscription” which applies to all TSplus product lines. The Update / Support services subscription or renewal fee is a percentage of the 2022 license price.

Support Period	1 year	2 years	3 years
% of the license price / year	21%	18%	15%

UPGRADES

All kind of license Upgrades are possible:

- Adding users to an existing license,
- Upgrading from one edition to a higher one,
- Upgrading to a bundle.

The upgrade price is the value of the new license minus the value of existing one.

Upgraded licenses are requiring the Update/Support services subscription.

The Update/Support subscription fee is based on the value of the upgraded 2022 license price.
